Dedication
Mr. John Ziergiebel

As a teacher and administrator within the Gloucester Public School system, Mr. Ziergiebel touched the lives of a great many individuals. He was a man who was dedicated to his family and most of all his wife and best friend, Annie. His work ethic, humor, and comittment to education were second to none. He was an inspiration to us all and he is truly missed.

Tupac was nowhere in sight. With the beast near I had no choice but to jump. Waking up in a dark murky swamp I was inspired to write the screenplay to Bourne Identity.

"I Feel Home" By: O.A.R

There are few things pure in this world anymore,
and home is one of the few.
We'd have a drink outside,
maybe run and hide if we saw a couple men in blue.
To me it's so damn easy to see that true people are the people at home.
Well, I've been away but now I'm back today,
and there ain't a place I'd rather go.
I feel home, when I see the faces that remember my own.
I feel home, when I'm chilling outside with the people I know.
I feel home, and that's just what I feel.
Home to me is reality, and all I need is something real.

Feeling alright, heading out tonight, maybe out to a dark driveway.
I say now some feel bored, and some are looking for more.
Well, we all just decide to stay.
We got nothing to do, and I look at you I see something that I know and love.
and with the crack of a smile we all stay a while
we know from home there ain't nothing above.

Well in the end we can all call a friend
well that's something I know as true.
And then a thousand years and a thousand tears
I'll come finding my original crew

Cause to me throughout eternity
there's somewhere where you're welcome to go
I said it's something free that means a lot to me
when I'm with my friends I feel home.

I feel home, when I see the faces that remember my own
I feel home, when I'm chilling outside with the people I know.
I feel home, and that's just what I feel.
Home to me is reality, and all I need something real
Home to me is reality, and all I need something real
I feel home.

The Beverly girls co-op team had a very successful season. Finishing the season at 13-3-4, and NEC champions, Beverly was seeded tenth in the state tournament. Also Brianna Jackson (DHS) did well in the net.The team grew a lot this year, and with a strong junior class is expected to do just as well, if not better next year.

This years Tigerfish (Gloucester and Ipswich combined into one team) had an exceptional season this year with the team ending the season with a 6-3 reacord. With a ranking of 7th in the North the team tallied one of the highest scores in team history with a 140.85 pts (agaisnt Hamilton-Whenham/Manchester-Essex) out of a possible 160 pts. The girls placed 3rd in the sectional meet and placed 7th in the state meet. Liana Jaeger was elected to the national team for her all around performance over the course of the season.

With only one senior graduating this year the core of next years Tigerfish looks to be loaded with youth and experience.

Four girls made the NEC All-Star team including seniors, Sam Saputo, Ashley Lopes, Addy Blakely, and junior, Krystina Novello. Boys Tennis

The 2010 GHS Boys Varisty Tennis team Northeast Conference (NEC) season can best be described as a transitional season. Opening the season with a roster of eight members, only three players were veterans with prior high school tennis team competition and experience. Relatively short of manpower, the GHS Boys Tennis Squad managed to perform competitively and inprove its skills and performance throughout the season. With the addition of inexperienced first season players, the new players were able to build their competitive match skills and gained valuable experience for future play. Overall, 2010 can be looked at as a learning experience.

The 2011 season holds early promise to be an exceptional season. With the return of now veteran players for their senior year, the GHS Boys Varsity Tennis Team hopes to reach the state finals in the new season.

Boys Lacrosse

The 2010 Boys Lacrosse Team finished their season this year 8-10. Collectively, they were very competitive with high ambitions and played well together. The team's showcase win of the season was against Manchester-Essex in the second game. Gloucester won in double overtime thanks to senior captain, James Riley, who scored the winning goal. Although the team had some strong attributes and high points of the season, they fell short of their goal in making the state tournament. Still, they produced two all-star players in the NEC. Senior, Will Deckert, and senior captain, Jared Wright, were awarded spots on the NEC All-Star team. In addition, Jared was also named an Eastern MA All-Star. GHS is graduating fourteen talented seniors from the team, leaving spots open for more talented and dedicated members.

Molly,
Loking back at the past....
....Driving off to the future;
Every day you have made us so proud.

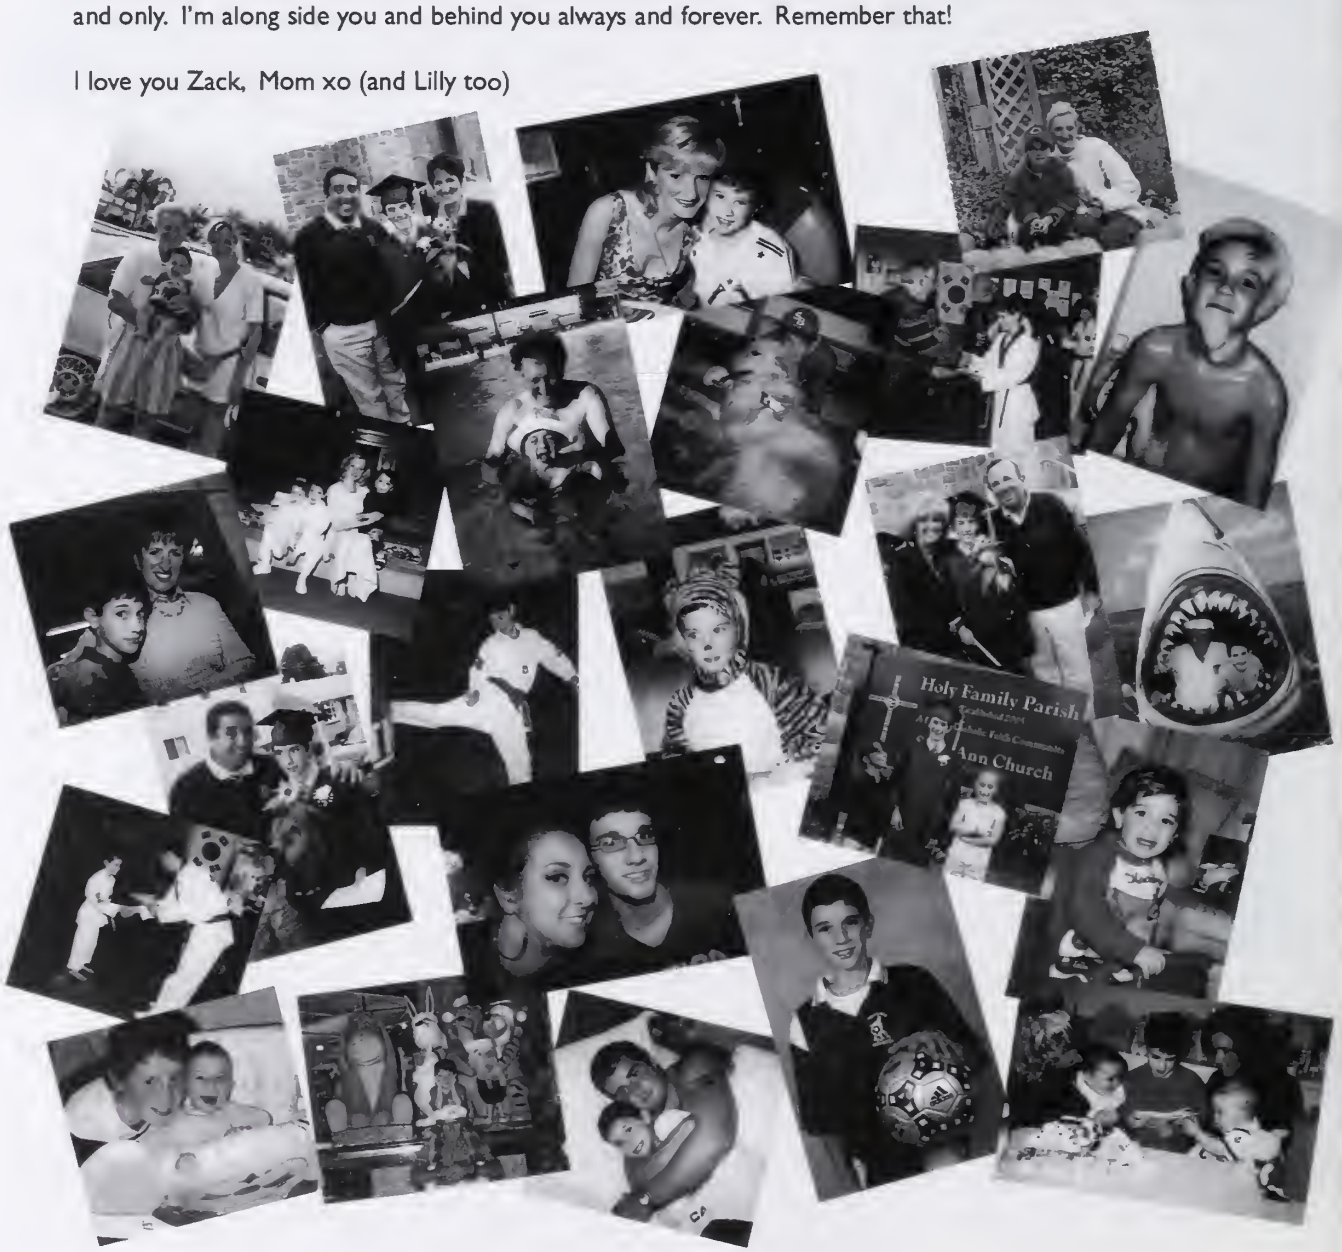
With great love and thanks
For all that you are, and all that you will be.

Mom, Dad, Emily & Sarah

Zack, (my Zack a doo, Boo ba La)

Where do I begin? It's been you and me since the very beginning. As I said on the day I brought you home from the hospital, "It's you and me kid against the world." You are my one and only, my life and you have given me so much joy. I am so proud of you. I remember the nights of no sleep, cuz you wanted me to walk you around and I would tell you stories and I would sing "I love you" songs. As you got older, we would wrestle on the floor, play match games and board games and watch Thomas videos till you knew them word for word. Going to church with Auntie and her asking you about "Gordon" and you yelling out in church... lol! Learning to ride a bike and roller blade on the Boulevard, the endless walks we would take. Playing soccer in the yard, tae kwon do, little league. You did it all Zack and you were great at it all. I hope you know how proud I am of you, and how much I Love You. I feel truly blessed everyday to have you as my son. Go for all you want in life. The possibilities are endless. Take advantage of all you have available and make the most of it. There is so much out there, go and live it, see it and experience it. Continue to make me proud as you always do. I'm to the only one who is proud of you. Papa would be (is) so proud of you too. Stepping up and helping me the way you do. All I do is for you and it will always be that way. No on will ever take your place, you are my one and only. I'm along side you and behind you always and forever. Remember that!

I love you Zack, Mom xo (and Lilly too)



Zachary,
We remember when you were a baby and you would love for us to hold you inour arms and fly you in the air like an airplane and you would say again and again. Now you'll be graduating from High School and going off to college. You have grown into a fine young man and our wish for you is to fly through life with no inhibitions, staying true to yourself, continue on your course and become as successful as you can be. We havew always been proud of you and know all good things in the future will be yours for the taking. Good Luck, God Bless, and remember "THE SKY IS THE LIMIT". Love, Auntie Pat and Uncle Libby

Zack, Z-is for Zack, A-is for awesome, C- is for "CORN" Again Again, H-is for Hillarious, A-is for Athlete, R- is for Rock ON, Y- is because we love you, Uncle Barry, Decia, BJ, Amanda and Coconut

Hey Zach, You made it through high school! Good luck in the future. I know you will do good in whatever career you choose. Your cousin BJ

Zach, Congratulations! You made it through Pre-middle & high school! Good Luck in college. Don't forget me. Hope you get into a good college because you are super human! Rock on in the next stage of your life. Peace out, Amanda

Zacarias,
I could go on for pages and pages about how I feel about you, how watching you grow up was a whirlwind of emotions, and how inspiring it is to see the person you've grown up to be considering all you've gone through.....but I won't! I will however say THAT YOUR COUSIN DO-DO HAS SERIOUS MENTAL ISSUES AND NO YOU CAN'T SEE THEM!!!! Love you! more than words could ever express! Love, Alissa Do-Do P.S. Do I get to come visit you next year or am I too old!!! beep beep bap boop ba!!!!

Bonehead, Crazy that you are a senior. Time flies Kid. It was fun schooling you all those times at basketball in the driveway. You turned out pretty good kid, So don't do anything stupid to screw it up. Ha Ha. Remember to treat your friend with respect cause they will always be there for you. Stay young and Question EVERYTHING! Cause the man is watching boooooyz! Just remember to stand up for yourself, use your head, and always have people right behind ypou ..... Sacagawee, Bob Hope and festering cabbage forever! Bub

Zack,
I am so proud of you and the way you have turned out. I love you more than you know. I am here if and when you ever need me. I wish only Goof Health, Lots of Wealth and Happiness for you in the future! Don't ever forget:
1. You know what I like about you? _____
2. What do the Yankees Do? _____
3. When you are 21, remember - when you come to the resort, 'YOU BEST BE PACKING, & DON'T FORGET THE ICE! Love You kid, Uncle Ant P.S. Bonehead

Zack,
I can't believe "my baby" is a senior and is graduating from High School already, You have always held a special place in my heart. I have always thought of you as more than my nephew. If ever I was to have han another son I would hope he would have been just like you! Actually I always thought you were MY Son, (ok grandson, you know the one I don't have yet!) Stay focussed, set yourself a goal and go for it with all you have. You have so much to look forward to and I know you will achieve greatness. You are a GREAT KID, and I am so proud of you and the person you are .... Please try to live your life with "NO REGRETS" "NO WHAT IFS". If you try something new, and Don't be afraid to try soemthing new, and it doesn't work out, learn from it, then move on. Only look back and dwell on the things that made you HAPPY, Don't waste time holding grudges, (that just uses up so much energy) Brush things off, put on that gorgeous smile, hold your head up high, and walk away. Always do your best at whatever you try. Remember there are people in this world you can never please, but if you know you did the best you could then you can be proud, and think of it as "it's them who have the problem NOT YOU! I LOVE YOU KID AND ALWAYS WILL and remember the Resort will always be open to you and your friends. Auntie.

Congratulations Zachary! We're so proud of you. Love, Auntie Karen, Amy, and Allison (Oxygen Thief)

Congratulations Zachary! I love you and am very proud of you. Love Grandma Rose

Zack,
Just want to say congratulations and good luck in whatever you do. We know it will be great! Love, Carol, Joey, and Apollo
